Remarks

Caregivers settle the costs directly with the school / faculty responsible for organization of the respective nursery.

The costs for the handover time – 2 x 30 min. for first care of a child, 2 x 15 min. for all further care – are paid in full by the school / faculty.

Minimum care time is 2 hours. Should parents book a shorter period, they must still pay for 2 hours.

In case a child is sick and cannot attend (with medical certificate from a physician), the faculty pays for all costs despite the fact that childcare did not take place.

If parents cancel the booking at least 10 days before the date agreed upon, the cancellation is free of charge. If the booking is cancelled at shorter notice, the care costs are at the full expense of the parents including the school / faculty share (except if there is a medical certificate).

The agency fee of currently 240.- € plus VAT per caregiver and child is billed by the agency R.u.F. directly to TUM's central family service department.
